*An active parishioner in good standing is defined as one who:

1. Chooses Good Shepherd Parish as the center of their family worship and participates in the weekly celebration of the Holy Eucharist, the sacramental life of the Church, the educational and social, and outreach ministries of the parish. This choice is reflected by being a registered member of the parish for at least six (6) months prior to school registration, active in parish life during that time or has been registered in a previous Catholic parish within the last 6-12 months and has recently joined Good Shepherd Parish. A letter from the previous parish will be required.
2. Completes a yearly parish Stewardship Commitment Card and is faithful to that commitment through the Parish Envelope Program or We Share (electronic giving). The regular, sacrificial financial support of the parish is key to the success of the parish and the school.
3. Is deemed by the pastor as actively participating in the life of the parish – mass attendance, volunteer work in the school and parish ministries.
4. **Parishioner status will be re-evaluated annually to re-determine eligibility for In- Parish rate.**

**** OPAS -Out-of-Parish Affiliated Students**

Families belonging to other Parishes should fill out the "Out-Of-Parish Affiliation Form" and take it to your Pastor for signature. After signed, please return it to Good Shepherd to receive In-Parish Tuition.

***For child #4 and beyond, the tuition rate is half of the "subsequent rate".
